

### **About Team Velvet, Inc.**

In this non-mounted therapy children do not ride the horses but may participate in interactive games (like kick a soccer ball) while working toward treatment goals like increased self-confidence, resiliency, or emotional healing after traumatic loss.

For more information see [www.teamvelvet.com](http://www.teamvelvet.com) or call Dr. Edwards at 609-924-4330 to refer a child.
